Customer Services (CS) Class Program

JOB DESCRIPTION

This is half year structured training program involving class room, on-the-job learning and coaching by subject matter experts with an objective of developing necessary knowledge and skills to pursue a career in Banking Customer Servicing. A successful trainee will be ready to perform the role of Banking Customer Service, representing the Bank as its front-end in handling various customer inquiries confidently, maintaining satisfactory customer service and relationship, and providing fast solution to customers.

JOB REQUIREMENT

- Max Age 25
- Minimum S1 preferably from reputable university
- Min GPA 2.75 of 4.00
- Interested in sales and relationship management to help customers inquiries
- Good business acumen and problem solving ability
- Attractive personality, with good command of English, both written and verbal
